LEARN ABOUT THE CAPPIES

The Cappies is a writing and awards program that trains high school theatre and journalism students to be expert writers, critical thinkers, and leaders. Cappies students discuss and learn about theatre production. Throughout the year, newspapers publish the reviews with the students' bylines. At the end of the year, Cappies student critics decide who among their peer performers and technicians should be recognized for awards.

At the end of the season, a Tony Awards-like celebration occurs, where all nominated shows perform a cutting or the critics' choice song, and the final Cappies awards are presented with a trophy by regional critics and peers.

Lightridge is part of the BlueRidge Cappies and Peter Pan was our Cappies show for 2023-24. All Cappies nominees will be announced Sunday, April 28 and celebrated at the annual Cappies gala Wednesday, May 22 at the Hylton Performing Arts Center in Manassas.
